

The aim of the Fund is to encourage UK-registered nurses to learn about multiple endocrine neoplasia and/or the endocrine tumours associated with MEN thus enabling them to better understand their patients and thereby enhancing patient care. The Fund, run by the Association for Multiple Endocrine Neoplasia Disorders (AMEND), is named after the late MEN1 patient, Julia Dunn and is made possible thanks to the generosity of the Houghton Dunn Charitable Trust.

What's Available?

- Registration fees for up to 3 nurses to attend the Society for Endocrinology's annual Endocrine Nurse Update (does not include travel expenses)

Conditions

1. The annual Update applied for must be of relevance to MEN and/or its associated endocrine tumours (please check carefully before applying)
2. Both successful and unsuccessful applicants are free to reapply on an annual basis, but priority will go to those who have not received help from the fund in the past
3. Applications should stipulate how the Update is relevant to MEN and/or its associated endocrine tumours
4. Successful applicants will be required to provide a short written report to AMEND explaining in what way the Update has helped them achieve a better understanding of their patients and what the potential enhancements to patient care in their own clinical setting may be.

How to Apply

1. Please check the relevance of the content of the annual Update before applying
2. Complete the application form and send to AMEND, The Warehouse, Draper St, Tunbridge Wells, Kent, TN4 0PG
3. You will be notified of the success of your application by as soon as possible
4. If your application is successful you will be sent a feedback form and SAE to be completed and returned within 2 weeks of attending the event
